## WHAT IS PATIENTINFO ?

Patientinfo is a health information portal. No user name or password is required.

Local health professionals select the information included.

This information is:

- Reliable
- Up to date
- Easy to understand
- Free of advertising

Patientinfo aims to help people understand and manage their health conditions. It does not replace care provided by doctors and other health professionals.

See your doctor or other health professional if you are concerned about your health.

Patientinfo is a joint initiative of Hunter New England Central Coast Primary Health Network and Hunter New England Local Health District.

## WE WELCOME FEEDBACK

We welcome your feedback. It helps us improve the site and meet the needs of our local communities.

Feedback or suggestions can be given at any time using the feedback button in the top right corner of any Patientinfo page. We aim to respond to feedback promptly.
