Supporting nurses in primary health care

REGISTER NOW

Attending a Foundations workshop is the perfect way to build on your expertise, and network with nurses in your area. These workshops are developed and delivered by nurse leaders, and offer an engaging program that provides an overview of key skills and knowledge required for your daily practice. Whether you're new or experienced in the general practice setting, there's something for you at a Foundations workshop.

"The workshop was very professional but also very friendly, right from the first confirmation email I received. The positive culture really encouraged me."
